

From decades of tailored experience, **Roll-Line®** is proud to introduce a brand **new innovative plate.**

Forged by the **great skill** of our engineers, the new plate Linea is designed to offer the **best performance** to all the **in-line figure** skating practitioners.

Assemblable with all kind of boots from size 215 to size 300

Provided with a complete set of tools and professional **toe stops**.

Available sizes: 8 - 8 1/2 - 9 - 9 1/4 - 9 3/4
10 - 10 1/4 - 10 3/4 - 11 1/4

Linea

.....
8 mm axles, **compatible with all types of 608 bearings.**

.....
Combinable with **all types of wheels** of
a diameter between 64 mm and 76 mm.

Two available positions for the rear wheel.

Machined from a solid block of **Avional Aluminum** in order to ensure **great resistance** to shocks and elevate tensile and torsion strength.

Featuring a **new revolutionary
rockering system** able to simulate the
same performances of an ice blade.
